## WELCOME TO ST. MORITZ

---

[WWW.ENGADIN.STMORITZ.CH](http://WWW.ENGADIN.STMORITZ.CH)

St. Moritz is not simply a holiday resort. It was the birthplace of winter tourism in the Alps (1864) and two Winter Olympic Games (1928 and 1948) took place here. Nevertheless, St. Moritz originally owes its importance to its mineral springs, to which people have been flocking for 3,000 years and which did much to establish the village early on as a summer health resort.
